

2021-22 Board Strategic Action #1

Action Statement #1	Throughout the 2021-2022 school year, Board members will hold three meetings with stakeholders to engage in more bi-directional communication with the community.
Key Work of School Board Connection	Community Leadership
Coherence Plan Connection	Engaging with internal and external stakeholders
How Will We Measure Progress?	Survey stakeholders after to understand if they felt it was impactful as well as debrief as a team afterwards.

2021-22 Board Strategic Action #2

Action Statement #2	Throughout the 2021-2022 school year, Board members will work to create a structure in which the board can advocate at state and local government levels. This would include increasing the knowledge of all board members.
Key Work of School Board Connection	Policy
Coherence Plan Connection	All three areas of the Coherence Plan
How Will We Measure Progress?	Determining the overall structure, set expectations, create calendar of work, debrief as a group
