LIBRARY BOOK DUE DATES

Elementary and high school library items are due back on May 28th. Middle school library items are due May 13th. Students should take advantage of classroom libraries and the public library during this time. Please look for any missing books in cars, under furniture, in your child's classroom and return them to school. Families will receive a bill after school is out for any library materials that are not returned. If items are found over the summer they can be returned to the ECC and student accounts will be adjusted. If families would like to provide a replacement copy instead of paying for the item, the replacement copy may be sent to school in the fall.
