ACADEMIC PROGRAMS ON UW-MADISON CAMPUS
GRADES 1-12 | JUNE 15 - AUGUST 8, 2020
DAY AND RESIDENTIAL ACADEMIC PROGRAMS

WCATY summer gives you a class, a camp, and a community. Tackle rigorous subject matter that you'd never get to try in a normal school setting. Paint a flag; traverse a ropes course; eat pizza for lunch every day if you want. Spend your time living in a college dorm on the UW-Madison campus with like-minded kids who have the drive to challenge themselves academically and who want to get out of their comfort zone. Be social. Be independent. Become part of something bigger than yourself and create relationships that last a lifetime.

University of Wisconsin–Madison Precollege & Youth Programs

An enriching place for young people to learn and grow

UW–Madison encourages young people ages 5 to 18 to look past the possible and reach for the impossible. The mission of our Precollege & Youth Programs is to actively guide youth on a path of life readiness. We offer the following programming for students on their way to becoming Dreamers, Believers, and Achievers!

Current offerings include:

After School Programs
Day Camps
Residential Camps
Youth Leadership Summits
4-H Programs
Weekend Explorations
College Prep Workshops
Field Trips

See below for two of
our most popular programs.

Wisconsin Center for Academically Talented Youth

Wisconsin Center for Academically Talented Youth (WCATY) offers an array of day and residential summer programs on the UW–Madison campus for talented students in grades 1-12. Come experience a truly unique learning environment where academically talented students can interact, learn, and grow with each other in a broad spectrum of disciplines.

Summer Music Clinic

Summer Music Clinic is entering its 90th year of bringing young musicians together for a week of creating music and making friends. Middle and high school students expand their musical horizons by working with experienced music educators from around the country, rehearsing and performing in ensembles, and participating in classes and activities that sharpen existing skills or open the door to new topics. Everyone's hard work is shared and celebrated at the end of the week with concerts for family and friends.

For more information about University of Wisconsin–Madison Precollege & Youth Programs, visit precollege.wisc.edu, call 608-262-4532, or email prenicia.clifton@wisc.edu.

"This experience has improved my mind and many others' so that we can change the future for the better."

—Precollege participant

"This was a perfect mix of fun and learning."

—Precollege participant

"Wisconsin Center for Academically Talented Youth is one of my favorite places to be because it is like coming to a second home each summer. I would not trade it for any other experience."

—Precollege participant
